**PLEASE USE PRESQUAD.COM**

If you can't use presquad, plan on being at the club early enough to register and squad before the shoot starts. We will be setting a time limit for registration of 10:30am for the first event of the day, therefore, presquad.com is the best alternative or plan on arriving early enough to squad before the shoot starts. The lighting should be fine at 10:00am for even the first squads. We appreciate your cooperation in this matter and look forward to many more great shoots in the future.
